Quotation Marks

Let me tell you a story about a writing skill.
Brain power will help you give your teacher a thrill.
Use quotation marks around all that you say.
They go around a speaker's words. Use your knowledge today!

Mrs. Marley said,
Comma quotation mark,
Capitalize then write,
End it with a period, then a quotation mark.
Mr. Parker asked,
Comma quotation mark,
Capitalize then write,
End it with a question mark, then a quotation mark.

Let me upload some knowledge into your spongy brain.
We have rules of grammar. We don't just entertain!
When you're writing a story, and you've got something to say.
Use quotation marks. Don't drive your teacher insane!

First quotation mark,
Capitalize then write,
Comma quotation mark,
Mrs. Kane remarked. Now right from the start!
First quotation mark,
Capitalize then write,
Question mark quotation mark,
Mrs. Cramer asked. Now let's go to class!

Mrs. Maguire cried,
Comma quotation mark,
Capitalize then write,
End it with a period, then a quotation mark.
Mr. Belding yelled,
Comma quotation mark,
Capitalize then write,
End with exclamation mark, then a quotation mark.
